Cyber Defense Camp - Summer 2020

Camper Behavior Agreement

Cyber Defense is committed to a safe and civil educational environment for all of our campers and staff, free from harassment, intimidation or bullying. We strive to create an environment where individual differences are valued, where people are supported in reaching their goals and accomplishing challenges, and where everyone can have fun. Campers have a responsibility to conduct themselves in a manner that is in the best interests of the camp program, its campers and staff. The camp staff has a responsibility to support your child in the camp setting, be a role model and to follow all safety protocols, including behavior management.

It is imperative that our campers agree to abide by our Camper Behavior Agreement while under our supervision. We **CARE** for ourselves and those around us. We earn each other's trust through **HONESTY**. We **RESPECT** each other and the environment. We are **RESPONSIBLE** for our own choices! Each parent and camper must read each of the statements below in acknowledgement of their agreement to abide by camp rules. Campers and parents/guardians should review and discuss these guidelines together.

I Will Show Respect for Others

- I will respect other people's ideas and values, even if they are different from my own.
- All of my actions and language will have a positive impact on others at camp.
- I understand that any behavior that could physically or emotionally harm a camper or staff member, or which is disrespectful, is unacceptable at camp.

I Will Show Respect for Myself

- I will make the most of learning opportunities at Cyber Defense by participating fully during virtual camp activities, and I will try new things and have a positive attitude.
- I will not allow exclusive relationships (like those with friends from home or school) to prevent me from getting to know other people at camp, or from including others during virtual camp activities.
- I will always notify an ambassador/staff before leaving the virtual group.

I Will Show Respect for the Equipment Used

- I will take care of the University of Maryland and Cyber Defense facilities, program supplies, and equipment including laptops, phones, and VR equipment.
