1:1 and GSS: tutoring are now open!

To learn more and schedule

- **Casino Night** is a department-wide formal for computing majors (and their friends of any major or gender) hosted by the Association for Women in Computing (AWC). This event will be held on the ground floor of the Brendan Iribe Center on April 21st, 2022 from 6-9 pm. They have casino games dealt by your favorite computing faculty, opportunities to network with our corporate sponsors, dinner, raffle prizes, and more! [More information]
2022 Lavender Graduation—In-person ceremony May 18th! Each year, Lavender Graduation provides an opportunity for our community to come together and honor those among us who have worked to make UMD a better place for LGBTQ+ people. The LGBTQ+ Equity Center needs to get a count to order tassels and stoles, so be sure to register by March 31 if you plan to attend. [Registration]

Leadership Academy program is an interactive cohort-based professional development training for POC, women, LGBTQ students, and first-generation college students in computing and engineering. This program creates a supportive peer community where students develop professional skills; expand their business networks in technology; and become competitive for technical industry internships. [Apply here]

The DICE (Diversity and Inclusion in Computing Education) Lounge is OPEN! Come by the DICE Lounge (IRB 1104) to connect with us, learn more about our programs, and create a community within I4C. Open Monday- Friday 8:00 am - 6:00 pm
- Sign up for daily announcements on the DICE Lounge Slack: [go.umd.edu/DICESlack]
